WELCOME TO THE RIO 2026 JUNIOR & CADET FENCING WORLD CHAMPIONSHIPS

It is a profound honor to invite the global fencing family to the magnificent city of **Rio de Janeiro** for the **2026 Junior and Cadet Fencing World Championships**. This event marks a historic milestone as we bring the premier showcase of our youth talent to Brazil, a nation with a legendary sporting heritage and a vibrant future. I wish to express my deepest gratitude to the **Brazilian Fencing Confederation (CBE)** for their exceptional dedication and hospitality. In particular, I extend my thanks to my colleague in the FIE Executive Committee **Mr. Arno Périllier Schneider**, President of the CBE, for his leadership and tireless efforts in bringing this vision to life. We also recognize the vital support of the **Brazilian Ministry of Sport** and the **Brazilian Olympic Committee (COB)**, whose collective commitment to the Olympic movement provides the perfect foundation for a competition of this magnitude, further cementing Rio's legacy as a premier destination for world-class athletics.

We anticipate welcoming more than **1,000 fencers**, alongside their coaches and delegations from nearly **100 nations**. Over nine days of elite competition, athletes will contest **18 individual and team events** in all three weapons, and we have full confidence that the local organizers will deliver an experience that is both technically superior and memorably positive for every participant. Beyond the competitive pistes, these Championships will serve as a vital center for education and solidarity, featuring the FIE Training Camp alongside specialized workshops focused on Safe Sport, Fair Play, and Anti-Doping to ensure our young athletes and coaches are equipped with the values essential to our sport. Furthermore, our "Donate Your Fencing Gear!" program will be active on-site, and I encourage all participants to support this noble initiative, which allows us to provide essential equipment to developing fencing regions across the globe.

While you are in Rio de Janeiro, I hope you take the opportunity to explore its unique landscape and culture. From the iconic heights of Corcovado to the historic charm of its neighborhoods, the "Cidade Maravilhosa" offers a backdrop of unparalleled beauty that is sure to inspire every athlete as they strive for excellence.

To our fencers: your hard work and discipline have brought you to this world stage. I wish you the very best in your final preparations, and I look forward to witnessing your talent, passion, and sportsmanship on display in **Rio de Janeiro in April 2026**.

As a typical 18th century Brazilian colonial city, Paraty's architecture has character, originality and definition, forming a harmonious architectural ensemble. The region is well known for its alambiques—distilleries of cachaça, which is the basic alcoholic drink used to make Brazil's most famous drink: the Caipirinha.
